Dear Parents/Guardians,

I am writing to share exciting news of an announcement of funding to renovate Rainy River High School as a consolidated Kindergarten to Grade 12 school.

This morning, Ontario Education Minister, the Honorable Mitzie Hunter announced 38 new capital projects in schools across the province to build modern learning environments and improve programming opportunities for students. Funding for the Rainy River consolidation was part of this announcement.

Minister Hunter noted that, "By building the best possible learning environments for our students, we are laying the groundwork for their future success. These new and renovated schools will support the well-being and achievement of students across the province for years to come."

With this exciting news, Board administration now begins the design development stage, with the procurement of an architect over the summer months and the initiation of a Building Committee in the fall of 2017.

### DIRECTOR

Heather Campbell

To keep you informed throughout this process, please look to your child's school newsletters and/or school website for updates on the progress starting in the fall of 2017.

Sincerely,

Heather Campbell,  
Director of Education,  
Rainy River District School Board

- c. James Chorney, Principal, Rainy River High School
- Michelle Mosbeck, Vice Principal, Rainy River High School
- Kendall Olsen, Principal, Riverview School
